

# SOCIAL DISTANCING MANAGEMENT PLAN FOR COVID-19

**STOP  
COVID 19**

## SOCIAL DISTANCING:

Staff and Patrons to always remain at least 1.5 meters away from each other.

The following additional measures will be put into place to help maintain 1.5m distance:

- All guests aged 12 and over must show proof of double vaccination
- One person per trampoline at any one time
- Café seating and tables spaced to ensure distance adhered to
- No moving of tables by staff or patrons
- Masks must be worn unless jumping or eating
- Line markers put in place on floor around ticketing queues, café queues, pro zone, laser briefing room seating, and Hologate
- Entry and exits – one-way traffic as much as practical, do not congregate in these areas
- Roller doors will be open to ensure extra ventilation
- Arrows on floor mark out direction of traffic
- Signage outlining the policy, and advising patron limits in all areas
- Temperature checks may be taken upon entry – any symptoms means no entry into GZ
- No recycled socks available
- Regular sanitization routine (Checklist used and signed off by staff member) including handrails and equipment
